

Certified Business Analyst Professional™ (CBAP™) Exam Prep - (2 Days)

Becoming a Certified Business Analysis Professional™ (CBAP™) is an increasingly important requirement for an intermediate or senior business analyst.

Objective:

Gain Essential information you need to prepare for and pass the Certified Business Analyst Professional™ (CBAP™) exam.

Who Should Attend:

Business Analysts, Systems Analysts, Project Managers and individual seeking to seat for the Certified Business Analysis Professional™ (CBAP™) Exam.

*This session is strictly for individuals who have **not** been approved to write the CBAP™ exam by the IIBA. Is it very important that candidates understand the rules of completing the application form in order to be approved. The instructor led session will be conducted by one of our Certified Business Analyst Professionals. For more information refer to www.theiiba.org*
